Subject: copyright infringement

To: weldcountycorruption.com@RespectMyPrivacy.COM

I am a representative of the copyright owner of a photograph being infringed at:

<http://www.weldcountycorruption.com>

Specifically the photo of P.J. Shields at:

<http://www.weldcountycorruption.com/shields.html>

Photo hosted location:

<http://www.weldcountycorruption.com/images/shields.jpg>

A screen capture of the photograph as it is being infringed is attached to assist with its removal from the infringing Web sites.

This letter is an official notification under the provisions of Section 512(c) of the Digital Millennium Copyright Act, known as the DMCA going forward, to effect removal of the above-reported infringement. I request that you immediately issue a cancellation message as specified in RFC 1036 for the specified postings and prevent the infringing party, who is identified by its Web address, from posting the infringing photographs to your servers in the future. Please be advised that law requires you, as a service provider, to "expeditiously remove or disable access to" the infringing photographs upon receiving this notice. Noncompliance may result in a loss of immunity for liability under the DMCA.

I have a good faith belief that the use of the photos in the manner complained of here is not authorized by me as a representative of the copyright holder, the copyright holder, or the law. The information provided here is accurate to the best of my knowledge. I swear under penalty of perjury that I am a representative of the copyright holder and have permission to request the removal of the photo.

Please send me at the address noted below a prompt response indicating the actions you have taken to resolve this matter.

Sincerely,

John Vahlenkamp
managing editor
